4-H, VOCATIONAL ELIGIBILITY

4-H Club members must have passed their eighth birthday, but not have passed their nineteenth birthday by Jan. 1 of the current year. Exhibitors must be members of a regularly organized 4-H club, carrying a project in the field in which they wish to make entry, and be under the supervision of the Pennsylvania State University Cooperative Extension Service by January 1 preceding the fair. Any 4-H Dairy project shown, must meet the ownership requirements of the Jr. Dairy Show rules.

All animals must be verified as project animals by 4-H Leader's or Ag Advisor's signature on entry form. 4-H & FFA members must be present and have charge of showing their projects at the time of judging.

For any projects, excluding live animals, not listed in the premium book please check with chairperson or Extension Office.

Vocational students must be enrolled in the class in which they wish to make an entry. Students enrolled in general home economics in a comprehensive high school are considered as qualifying. All entries shall be approved prior to the fair by a member of the Pennsylvania Department of Education, Agriculture, or Home Economics staff or their designated representative.

NOTE: In any case where there is reference to 4-H and Vocational classes, the fair has the option, if there is a sufficient number of available exhibits, to divide the show into two, one for 4-H and one for Vocational, or they may be shown together.

CHAPERONES - 4-H and FFA leadership must be responsible where chaperones are concerned. Chaperones may not be a youth exhibitor! Chaperones need not be a club leader, but must be at least 21 years of age.

Section 701 OVERALL SHOWMANSHIP CONTEST

This contest is open to the champion showman in each species of livestock shown. It is desirable to have all species of livestock represented. However, if for some reason the champion of a species is unable to participate, that species will not be represented.

The contestants will rotate among all the species of livestock presented in the ring at the appointed time of the contest. The individuals will be scored on their showmanship of each species and the scores will then be totaled to determine the winner.

VEGETABLES (Open Class)

Diane L. Kern, Chairperson
 610-756-3033

Register all entries by July 31 using the forms on page 42 of this premium book or on the web page.

All exhibits are to be brought to the fair Sunday before fair opens 12 noon to 5:00 P.M. and taken out Sunday at end of fair 10:00 A.M. to 1:00 P.M.

1. In selecting vegetables for exhibition, choose such specimens that would bring the highest market price. Do not select the largest; select medium size specimens. If at all possible, do not mix varieties.
2. The following factors are generally used by an expert vegetable judge.
 - a. Trueness to variety type. If at all possible, pick the specimens from one variety.
 - b. Uniformity in shape, size, and color.
 - c. Be sure to pick out a perfect specimen, then select the others as similar to it as possible. Never mix specimens of different maturity.
 - d. Protect from dirt, disease, infection, and mechanical damage. Select specimens that are perfect and show no blemishes of any kind.
 - e. Condition and maturity. Be sure that exhibits are of high quality.
 - f. Potatoes should be washed.
 - g. Tomatoes should have stems removed. Carrots, beets, etc should have tops (leaves) removed from the vegetables leaving about (2) two inches of stems.
 - h. Herbs - Submitted in water in clear container. Remove leaves below water level.
3. Read premium material, carefully following all rules and regulations. If an entry calls for five specimens, be sure to exhibit that number; do not enter four or six. In any instance, your exhibits will be disqualified if the correct number of specimens is not entered.

DEPARTMENT 14
FRUITS - NUTS (Open Class)

Diane L. Kern, Chairperson
 610-756-3033

Register all entries by July 31 using the forms on page 42 of this premium book or on the web page.

All exhibits are to be brought to the fair Sunday before fair opens 12 noon to 5:00 P.M. and taken out Sunday at end of fair 10:00 A.M. to 1:00 P.M.

1. In selecting fruit for exhibition, choose specimens that would bring the highest price. Do not select the largest. Select the medium size. In plate displays, select five specimens as nearly alike as possible.

2. The following score card is to be used as a basis for the judging of all exhibits:

Form (natural shape of variety)	10 points
Size (medium of variety)	15 points
Color	20 points
Uniformity	25 points
Freedom from blemish	30 points
Total	100 points

3. Each exhibitor must designate the particular premium for which he is competing in special classes and see that the packages are properly tagged. Single specimens may not be considered or shown in variety classes.

4. Premiums will be awarded only when the exhibit complies with the standard, is meritorious and is properly named.

5. One entry per variety.
